

Free School Meals Registration

From September 2014 there will be a new universal eligibility checking service for free school meals, which will enable us to check all primary and secondary school pupils for free school meal eligibility. This system will also determine eligibility for Pupil Premium, which means schools will receive an extra £1,300 per eligible pupil from central government to fund valuable support such as extra tuition, additional staffing and enrichment activities such as helping families with the cost of school trips.

To help ensure that we are able to claim the correct level of funding, please provide the details requested below. Parents do not have to provide this information but we would encourage you to register so that we receive as much Pupil Premium funding as possible. **If you do not wish to provide the information please make a note on here.**

To avoid requesting this information again, Lincolnshire County Council will store your data securely and it will be checked periodically for eligibility. We will write to you if your child becomes eligible.
