

## GOLD BOOK WINNERS – Friday 22<sup>nd</sup> November

### RECEPTION:

Violet Bown – For fantastic work in guided reading. Mrs Jewsbury was really impressed with how Violet was able to talk about her book and explain what was happening.

Marcel Przbolewski – For brilliant understanding of one less in Maths.

### YEAR 1:

Emily Bond – Emily consistently reads every week! Even when she stumbles on an unfamiliar word, she tries independently to sound it out. She has shown lots of interest in sharing her books too!

Rosie Johnson – Rosie is always a fantastic role model to her friends. Her attitude to learning is always positive – she perseveres through challenges. Well done for being such a superstar!

### YEAR 2:

Daniel Calvey and Taya Frost – Both of these children have shown a much improved attitude to Maths. Daniel has his hand up lots more during input and shared answers. Taya has much more independent and applied a ‘can-do’ attitude to her workbook.

### YEAR 3:

Lewis Kenny – For producing a fantastic opening paragraph to his adventure story.

Harry Osborn – Harry was able to write a description using body language to show how a character is feeling.

### YEAR 4:

Maks Fugas, Eryk Chrapkowicz, Cherish Borrill, Antoni Plewa, Jacob Cooper, Conni Ramsell, Kai Ainsworth, Rachel Moore, Aaron Calvey, Aiden Baxter – For impeccable behaviour at the Change 4 Life sporting festival.

### YEAR 5:

Lacy Hiley, Karmela Specius, Megan Cook-Wright, Kaylee Dunn – For an outstanding performance at the Boston schools indoor athletics event. The girls came second in the 4x1 lap relay, this is especially impressive as they were competing against some Year 6 children.

### YEAR 6:

George Reynolds – George has been working very hard in Maths. His understanding of this terms work has been impressive. He is quick and neat and very often has interesting contributions to our Maths discussions.

Milly Stow – Milly has been very hard working in Maths, both in lessons and in pre-teaching sessions and Maths club. She has become increasingly confident in explaining her mathematical thinking.

Well done to Year 5 for winning the Attendance Ted for this week.
