

GOLD BOOK WINNERS – Friday 18th January

RECEPTION:

Daisy Savill – This is Daisy's second week in our school and she has settled in very well. She tries really hard and has a fabulous attitude to learning. She has made lots of friends and this is down to her caring and kind nature. She is already a good role model in class.

Logan Bedford – For his fabulous attitude and perseverance in his reading and phonics work. He is really improving and progressing with his reading. Well done!

Lola Loveday – For focussing more during group work and listening before she answers questions. She has a lot to contribute as her confidence is improving.

YEAR 1:

Joseph Moore – For doing some fantastic work in Maths this week. Joseph can name most 2-D and 3-D shapes. He also created shape patterns and was able to name which shape went next in the pattern.

Jenson Ainsworth – For creating a fantastic text map. Jenson can retell the information report using his map.

YEAR 2:

Holly Collins – For sharing a great understanding of finding $\frac{1}{2}$, $\frac{1}{3}$, and $\frac{1}{4}$ of shapes.

Oliver Edge – In our first class TT rockstars test for the 10 times tables Oliver scored 60/60.

YEAR 3:

Willow Bedford and Antoni Plewa – Both have worked very hard this week to grasp solving 2 digit by 1 digit division and multiplication word problems. They have shown perseverance when they have got the answers wrong as they always go back and try again.

Aaron Calvey – Aaron has made a lot of progress with Literacy since September. In particular, his handwriting is becoming much neater and easier to read. There is work to be done, but Mrs Hill and Mrs Gilbert are really happy with Aaron's progress and efforts!

YEAR 4:

Kaylee Dunn and Karmela Specius – Both children really impressed Mrs Sherrick this week. The class have been focussing on multiplying 3-digit numbers. They have both grasped the concept quickly and are able to work independently.

YEAR 5:

Henry Woodhall – Henry has really impressed Mrs Wicks during reading this week. He has fully focussed and has been able to answer questions about the text.

Lottie Barnes – Lottie always works hard and gives 100% in lessons. This week Lottie missed a day due to illness so missed a first lesson on reading line graphs. Lottie had to work extra hard to ensure the missed learning was caught up – which she did!

YEAR 6:

Jegors Polilovs and Callum Brewster – For working so successfully with their Maths buddies.

Jasmine Dix – For being a real star this week. Her work on decimals has been superb – from answering tricky word problems to dividing smaller numbers by bigger numbers e.g. $4\text{kg} \div 5$.

Abbie Murray – Abbie went away after Maths club and solved a particularly difficult problem.

Well done to Year 2 for winning the Attendance Ted for this week.

Well done to Year 5 for winning the Reading Cup this week.

Well done to Year 1 for winning the Music Cup this week.
